Parents' anger at police for giving kids a telling off

BY ANDERS LARSSON
anderson@indienews.co.uk

A SKATEBOARD row has erupted on an Axminster estate.

A group of parents says police should have spoken to them, and not their children, when acting on a complaint. But police say officers made nothing more than a polite request for the children to stop skateboarding down a pavement. And a resident has come forward to back police, saying the children's skateboarding is dangerous.

Axminster police had received a complaint about skateboarding on Cherry Tree Road and its pavements. Two officers patrolled the area on Thursday, November 26th and came across a group of kids, two of them going down the road on skateboards at considerable speed.

According to police, the children were advised to stop as they were putting themselves and other members of the public at risk. That was the end of story as far as police were concerned. But parents of the children reacted angrily and said they should have been contacted.

Sarah Farrant and Angela Hankin live in Cherry Tree Road and their boys, aged nine and 10 respectively, were part of the group.

Angela said: "My son was crying at the door. He has never spoken to police before. They were told they were not allowed to use their boards on the pavement anymore and should go to the skatepark when it is up and running. "But we try to keep them very much in our sight, so that is contradictory to what we say."

Richard Payne also lives in the road and his daughter was part of the group. He said: "I find it pathetic that somebody complained to police and didn't have the balls to speak to the parents."

"I know they [police] have to act on people calling up but they went about it the wrong way. They could have knocked on my door instead of using bully-boy tactics."

Speaking to *Pulman's View* approximately seven hours after the incident, both Sarah and Angela denied they had over-reacted.

Angela said: "No. At the end of the day they [the kids] are minors and they [police] should have come to the parents — and so should the people who complained."

Sarah didn't deny the speedy skateboarding but said children have to play somewhere, and added: "We were roller-booting down the road when I was young."

◆ THE Axle Vale Festival held its annual meeting on Thursday evening at Cloakham Lawn Sports Centre in Axminster. Cheques from the proceeds of this year's event were presented and the recipient representatives are pictured with members of the festival committee

"If you move into an area like this, you should expect that children will be playing."

Another resident, who wished to remain anonymous, said police officers were right to act because the skateboarding is an accident waiting to happen.

The resident said the complaint lodged with police was a joint one by a number of unhappy residents.

The resident admitted they had not spoken to the parents but believed that some residents had told children not to play on their drives to no avail.

Sergeant Peter Trudgeon, of Axminster police, said: "PCSO Trott and I attended the location."

"We saw two boys sat on their skateboards travelling at

speed down a pavement.

"After shouting to get their attention, both boys were spoken to. They were asked not to skateboard on the pavements or the roads as it was dangerous to not only themselves but other members of the public."

"No details were taken of the boys as it was merely a polite request. If the parents of the boys involved wish to speak to me about the incident, then please contact me at Axminster Police Station."

£80 fine for naked prank

THE men who entered Kilminster Cross Services completely naked could be issued with an £80 fine each for disorder.

The bizarre incident took place on October 14th and was captured on CCTV, which was picked up by news organisation around the world.

Customers and staff were stunned when the group of men emerged from a mini-bus, stormed in naked and selected a number of adult magazines.

Police initially treated the incident as sexual exposure but has since downgraded it to disorder.

The process of bringing the matter to a close is ongoing, but Axminster police said the intention is to issue a fixed penalty notice to those involved.

The investigation has established the men were part of a university football team, but police would not disclose which university they attend.

Police seek roofing pair

POLICE are seeking to trace and interview two men offering roofing and guttering services in Axminster.

A police spokesperson said: "They are saying that the warranty has run out on the guttering and then show pieces of guttering blocked with moss.

"If you spot these people working in your area please note their vehicle registration. We would also like to hear if you have a visit from them — we would like to have a word with these people."

One of them is described as a white male in his 40s, 5ft 6ins tall, of medium build with short fair hair.

The second man is said to be in his 20s, with dark hair.

Anyone with information is asked to contact 08452 777 444, quoting police log 176 27/11/09.

Gate dragged from ground

AXMINSTER police have reiterated that Roman Road, Shute Woods, is classed as a public highway.

Officers have received repeated complaints relating to various vehicles being driven in an inconsiderate manner.

In addition, a gate has been damaged after someone chained it to a vehicle and dragged it off its foundations.

Police say that any vehicle used on the road must comply with The Road Traffic Act, and patrols have been stepped up.

Police have warned that non-compliant vehicles used on the road could be seized.

Concert for church bells

TICKETS are on sale for a fundraising concert in St Giles's Church, Kilminster.

The concert is in aid of the church's bell fund, and will also feature readings.

Yarcombe Handbell Ringers, a piano trio, a cello duet and a trumpet soloist are among performers.

The event is on Saturday, December 5th, with a 7.30pm start.

Tickets are £7 and include a glass of wine and nibbles. Those aged under 16 years can get a ticket for £2.50.

Advance tickets are available on 01297 631091, 01404 861 450 or from Hurford Stores in Kilminster.

Teaching assistants make higher grade

BY ANDERS LARSSON
anders@tindlenews.co.uk

THREE school staff from Axminster joined 200-plus fellow colleagues to gain their Higher Level Teaching Assistant (HLTA) certificates.

The certificates were issued by Devon County Council at Sandy Park in Exeter.

A council spokesperson explained: "Teaching assistants support the work of teachers in the classroom.

"The HLTA is achieved by undertaking a rigorous assessment process to meet thirty three nationally agreed professional standards.

"Devon now has 564 teaching assistants who have gained the HLTA status over the past five years.

"Many subsequently obtain HLTA posts working as support staff team leaders or assuming an enhanced co-ordinating role for their school's work with children with Special Educational Needs."

Mark Freeman, adviser for support staff, said: "This is a very important event, recognising the move towards the creation of a fully qualified schools' workforce.

"These support staff have a vital contribution to make to the standards achieved and the quality of the learning environment."

The Axminster trio consisted of Sally Smith, Linda Butler (both Axminster Primary School) and Patricia Trueman (Axe Valley Community College).

Police appeal after damage from arson

POLICE have issued a witness appeal after two vehicles and a hedge were damaged in an arson attack.

Emergency services were called to a unit on Millway Rise Industrial Estate, Axminster, just before 11.15pm on Thursday, November 26th.

A spokesperson for the fire and rescue service said: "Two appliances from Axminster and Colyton were mobilised to reports of an industrial unit on fire.

"Further calls indicated that this was a vehicle on fire and this was confirmed on arrival of the crews."

One flat bed truck was severely damaged, another vehicle suffered minor damage and approximately two metres by two metres of hedgerow was also damaged.

Police are treating the incident as arson and would be grateful for information on 08452 777 444. The crime reference number is KA/09/610.

If You're Looking To Buy A Solid Silver Bangle For Someone Special This Christmas

Let Me Tell You Why I Think You Will Be Impressed With This One;

Like you, I like to find a present that's a bit special or has meaning and this bangle just so caught my imagination that I wanted to share it with you.

It has all the general features that you would expect; Hall-marked, diameter of six point seven cm and a weight of 16grams but it's the beautifully inscribed words on the outer rim, which sets it apart from any other bangle in its category.

The inscription reads 'to see a world in a grain of sand and heaven in a wild flower hold infinity in the palm of your hand and eternity in an hour.' I sat for ages pondering over William Blake's words. I felt that he wanted to remind us that by focusing on the beauty and the aliveness of nature we can be free of time and all of its limitations. You see, most of us see life through our memories of the past and then try to seek fulfilment in the future. It's being 'present' that holds the gateway to life.

I couldn't think of a more beautiful way to convey this message than it being inscribed in a bangle. You can imagine her face, can't you? when she opens up the box and wonders over the words before putting it on her wrist.

I'm sure you can see now how it captivated me. I have only seven in stock. Priced at a proud £79.00 and worth every penny. Call 01297-32144 to place your order. Or fill out the coupon below. They will be dispatched first class on the same day. I should hurry because I know from past experience that they will sell out quickly and it may be difficult to get any more before Christmas.

I know you will be delighted. You have my word. Melanie the owner of Kismet store in Axminster. If however on receiving the bangle you don't agree that they are as beautiful as I have described then send it back for a full money back guarantee.

Flood area funds bid for survey

RESIDENTS of flood-prone Purzebrook have cautiously welcomed East Devon District Council (EDDC) proposals.

As previously reported, Purzebrook properties in Musbury Road, Axminster, were damaged by flood water in November — and not for the first time.

Calls for action were repeated and EDDC had an officer on site last week.

In short, the authority will contact Devon County Council, the Environment Agency and South West Water with a view to apply for funding for a camera survey of the culvert system.

An EDDC spokesperson said: "Before any remedial work can be done, it is important to establish where the pinch points are in the system and whose land those parts of the system occupy."

"We may then be able to draw up a strategy showing what needs to be done and who is responsible."

Affected residents have since been asked what they think of the idea.

Morrison Brown said: "It depends on how quick they work. This should have been done years ago."

His neighbour, Andrew Moy, met with the EDDC officer and described

it as a very useful meeting, saying: "I'm extremely pleased he came to visit. He is the first one to actively engage since last year. We hope this is the beginning of a process that will lead to an action plan."

He did, however, express concern about the funding element as he understands the survey cost is about £500 — an amount he feels should be made available straight away without the need for an application process.

Errol Thornhill, who lives on the other side of the road, added: "Yes, we would welcome any effort to relieve our plight."

But he felt the proposed plan would partly cover old ground as at least one answer sought by EDDC is already known.

He explained: "We already know where the main pinch point is, on the drive next to our house."

The council spokesperson expressed optimism by saying: "The recommendations of the Pitt Review, which followed serious flooding in Gloucestershire in 2007, are shortly to go before Parliament in the form of the Flood and Water Management Bill."

"This should make it a lot clearer who takes overall responsibility for co-ordinating flood relief works."

Campaign march to raise domestic abuse awareness

◆ CAMPAIGNERS are joined by local government councillors, police — who supervised the march — and East and Mid-Devon Community Safety Partnership

BY ANDERS LARSSON
anders@tindlenews.co.uk

CAMPAIGNERS hit the streets of Axminster to hammer home the message that domestic abuse is not acceptable.

The march took place on Thursday, November 26th, featuring Stop Abuse For Everyone (SAFE) members, local government councillors and East and Mid-Devon Community Safety Partnership.

SAFE has just changed name from Women's Aid, and the march was part of

Domestic Violence Awareness Week (November 23rd-27th).

As the title suggests, the aim is to raise awareness of the problem and let those affected know that help is at hand — both for victims and perpetrators.

As part of the campaign, leaflets are distributed across east Devon and will be available in premises such as police stations, council offices, hospitals, health centres, shops etc.

SAFE's helpline for Exeter, mid and east-Devon is manned 24 hours a day on 0800 3283070.

Magic muffins sell in primary business bid

◆ PICTURED are various teams and staff in the muffins production centre

BY ANDERS LARSSON
anders@tindlenews.co.uk

PRIMARY school teams faced the harsh realities of real businesses when taking part in an all-inclusive competition at Axe Valley Community College on November 17th.

The college holds what is known as business and enterprise status and had invited primary schools in the area to take part.

Those first to respond fought it out and there

could only be one winner.

Six-strong teams from Hawkchurch, Colyton, Kilmington, Seaton and Membury primary schools had to bake a set of muffins, produce packaging plus posters to market their product.

The muffins were tasted by various people at the college and two judges then named a winner based on the whole concept, not only taste.

The judging panel consisted of Jo Parker (head of Year 8) and senior teaching assistant Tracy Tresserras.

Magical Muffins from Kilmington Primary

School came out as winners and the team members were Jack Cilia-Herbert, Daniel Latham, Jasmine Pearce, Jasmine Hussey, Holly Huscroft and Ella Burdett.

Hawkchurch Primary School claimed the runners-up spot.

Business and enterprise co-ordinator Bridget Bennett said: "We had a really successful day and everybody here was really impressed with the year 5s who were all so enthusiastic and hard working - I hope they enjoyed it as much as we all did."

Door forced in break-in

AN empty residential property in Colyton was broken into overnight between Tuesday, November 24th and Wednesday the 25th.

The property is situated between the town hall and the Spar Shop, and the offenders forced open the front door and caused minor damage inside.

A police spokesperson said: "If you have any information on this crime or saw anybody in the area of the town hall, especially on Tuesday evening, please call Seaton Police Station on 01297 626700, quoting crime number KN/09/663."

Community surgery held

THE Seaton Neighbourhood Beat Police Team will hold a surgery on Tuesday, December 8th in The Community Resource Centre, Fore Street, Seaton.

Members of the public are invited to attend and discuss any concerns they may have with Police Community Support Officer Chris Bolsover between 9.30am and 11.30am.

GOVERNMENT'S GREEN PROJECT SCRUBS UP WITH CASH INJECTION

BY ANDERS LARSSON
anders@findlenews.co.uk

SCRUB clearance is top of the action list for the Horner Hill turbarry in Stockland thanks to a cash injection.

A funding agreement was recently signed for work already underway in parts of Stockland parish to transfer selected areas of dense scrubland into wildlife havens of purple heather and heath.

Money for work on the Horner Hill turbarry comes from Higher Level Stewardship (HLS), a government green farming scheme that encourages farmers and land managers to protect and restore some of the region's most iconic landscapes.

Dr David Allen, of Stockland Parish Council, said: "This funding will build on work to manage the turbarry at Horner Hill that was started almost a decade ago.

"The council very much looks forward to more people exploring this wonderful site and enjoying the spectacular views over the Blackdown Hills from it."

A Natural England spokesperson explained: "There will be an annual payment of £1,576 each year for 10 years for the HLS land management options on the site – woodland enhancement, heathland expansion, scrub and grassland management.

"Separately, up to £20,000 has been approved as payment over the first three to four years for specific capital work improvements such as scrub clearance and fencing. This will be paid as the work is completed.

"Historically, the Stockland Turbarries — of which Horner Hill is one — were areas of lowland heath and bog where peat turf was dug for fuel and gorse was cut for fodder.

"This form of land management kept the areas open but a subsequent decline of these traditional uses since 1945 has led to land becoming overtaken by scrub and woodland and an associated loss of diverse heathland wildlife."

It was also explained that, initially, the new funding will allow a programme of scrub clearance on Horner Hill.

In addition, an archaeological survey of the hillside will establish

the presence of any historic features on the site.

A new circular permissive footpath will be created, bird and mammal boxes will be provided throughout the site and new signage with wildlife and historic information will also be established.

Finally, when the site is ready, new fencing will enable native Ruby Red cattle to graze the heathland once again — restoring the hillside to its former glory.

*The Stockland turbarries were established by Parliament under the Enclosure Act.

Seven pockets of turbarry land totalling 66.6 ha are owned and managed by Stockland Parish Council.

These are Bucehayes, Quantock and Featherlake commons, Shortmoor, Huntshayes, Shore Bottom and Horner Hill.

Recently, both Bucehayes and Quantock have come into Higher Level Stewardship agreements, and Shortmoor is proposed.

Huntshayes is currently under an Environmentally Sensitive Areas agreement.

School trip is inspirational for teachers

BY ANDERS LARSSON
anders@findlenews.co.uk

AXMINSTER-BASED primary school teachers were part of an inspiration-seeking trip to The Royal Academy in London.

They viewed an exhibition by artist and sculptor Anish Kapoor, and the aim was to look at how

contemporary art works can be used within the primary curriculum.

Arranged by Alison Bowskill, Woodroffe School's community art teacher, one teacher from each of the primary feeder schools took part in the trip.

The visit was described as "the starting point for a long-term collaborative project which will

culminate in the production of a multi-media teaching and learning resource pack for students and staff and is part of Woodroffe's community commitment as a specialist school in the visual arts".

Alison said: "It was a memorable and worthwhile trip, everyone went home with lots of inspiration and ideas."

FIREFIGHTERS from Ottery, Honiton, Topsham, Sidmouth and Exeter fought a barn blaze at Knightstone Farm, Ottery, and helped to evacuate animals from the barn.

The fire broke out just after 8pm

on Monday, November 23rd.

A fire and rescue service spokesperson said 26 cows were evacuated.

Unfortunately, one was so badly injured it had to be put down.

The spokesperson also said: "There was an asbestos roof involved in the fire and the overhead power cables were also involved in fire."

"There was also approximately three tonnes of ammonium nitrate 34 per cent fertiliser in tablet form involved in the fire."

"Cylinders were identified in the adjacent premises but not involved in the fire and were removed for safety reasons." At the time of going to press, the fire and rescue service was unable to say what had caused the fire.

Surprise guest on Friday the 13th!

EDITOR — It was the morning of Friday 13th!
Though I'd never been troubled by that!
It wasn't a thing I believed in
Any more than a lucky black cat!
So on this particular morning
I was sorting the laundry – no fears
Intent on just filling my washing machine
When an unusual noise filled my ears!
It was a loud and a hard sound of impact
That shook the whole house with its pace
Not a sound that we ever encountered
In our 21 years in this place
“Did you drop something?”
I called to my husband
Upstairs on his computer that day
Whilst he was there shouting
That very same thing
It was puzzling
That's all we could say
So he opened and leaned out the window
Said “A car's driven into our yard!
“Through the gate that was meant for pedestrians!”
“It's taken it rather hard!”
We ran out to view the spectacle
Of a vehicle that's so in our face
It's not every day that you see such a thing
A car in the wrong sort of place!
There it sat twixt the gate and the old village pump

The finishing line of its race
Though the gatepost was gone
It was such a neat fit
Like it had a right to that space
None hurt within this kerfuffle
We're all pleased to know about that!
But we're worried about the insurance
Does the driver have it
Off his own bat?
So hot foot we ring our buildings insurers
In case we have cause for a claim
But to our horror our standing order's
Stopped standing!
In fact it was right down the drain!
With relief we find the car has insurance
That all will be put back the same
Our gatepost replaced
The pump be repaired
Without all the hassle of blame
So this driver has done us a favour
Our insurance is now buttoned up tight
We're covered for fire, flood and theft
And all things that go bump
Both by day and by night!

Gratitude to the fire and rescue service for excellent work

EDITOR — On behalf of all those affected by the recent flooding at Purzebrook, Musbury Road, I would like to express our gratitude to the fire and rescue service for their excellent work on November 13 and 14th.

Unfortunately, this is the second time in 11 months that we have experienced the effects of flooding and required their assistance.

After the heavy rainfall, Purzebrook became blocked and within 15 minutes flooded Musbury Road to a depth of 45cm.

Water poured in to the adjacent properties. When the first crew arrived the commander quickly

started pumping operations. The second crew from Colyton arrived with a mini ejector pump which meant our properties could be drained of water.

This crew also attended flooding due to the same cause last December and because of their experience were able to negotiate the structural complexities of the listed building.

Over the next four hours, help to clear properties and remove obstructions in the underground Purzebrook stream, quickly resolved the immediate difficulties.

We could not have received better service and their prompt action has

helped speed up the subsequent clean-up and drying out process immensely, although it will be many weeks before the properties can be redecorated and carpeted.

This has not been an easy time, particularly for our more senior neighbours.

The standard of care exhibited by the fire and rescue officers to those of us experiencing the repeat traumas of the flooding was exemplary.

Our sincere thanks to all concerned

Plea to locals to help keep post office queues down!

EDITOR — Readers will be aware of the recent lengthening of queues at Honiton Post Office. For whatever reason we do seem to have to wait longer to reach the counter staff.

I have always found the counter staff at Honiton Post Office pleasant, helpful, efficient and always with a welcoming smile. We are very lucky to have such nice people. These

counter staff work in an environment where their efforts are not always appreciated by members of the public.

On my last and recent two visits I was confronted by a large queue of about 12 to 15 people standing in line.

On both these occasions I noticed that the delays were due to customers being very verbose about matters that were not answerable by the counter

staff.

Please can customers do their bit to keep the queues down by leaving the post office after they have concluded their business and not waste time haranguing the counter staff about issues beyond their control.

Am I the only yes to Tesco?

EDITOR — Am I the only person in Ottery that wants to say yes to Tesco? It would certainly make the other stores here more competitive. At the moment their prices are too high for most of us on a fixed income. Furthermore instead of job losses the new store would create more jobs.

Most days when shopping here you see a lot of people carrying Tesco bags so they are being very hypocritical to say no.

I am lucky as I have a great neighbour and two good friends who take me to a supermarket when necessary as I can't drive and cannot afford the high prices some of the local shops charge.

Unfortunately I was unable to attend the meeting on October 30th as I was celebrating my 80th birthday.

Agreement to flooding note

EDITOR — I would like to add a few words in agreement with everything that my neighbour has written (Pulman's View, November 24th) regarding the flooding problem that they and other residents in the Purzebrook area experienced once again because of the lack of funds to carry out the necessary important work.

If the developers of 11 new properties at Cedar Gardens get their way, it can only contribute to more drainage and flooding problems within this already vulnerable area.

It amazes me how short-sighted the so called powers-that-be are.

Richard has been interested in photography from a very young age, his father bought him his first camera when he was just seven years old, and he has been hooked ever since. Richard originally trained as an accountant but photography has been a growing hobby throughout his life. Changes in his personal circumstances gave him the opportunity to move to Seaton and fulfil his dream of making photography his main focus. The Studio in Colyton provides the perfect venue for his business as well as a great place to meet many more new faces and share his interest with them.

Richard is very passionate about what he does and when asked about his business he said, "The camera provides the opportunity to capture some aspect of that which is beautiful in the world. Even the bad or the ugly can be given some aspect of beauty or wonder by a change of colour, or angle, or perspective. The camera draws my eye to different shapes and textures, colours and photographs, and in taking the time to appreciate these things I get a sense of grand design. With my camera, I have the sense of discovery of that design, and get to participate in its reproduction."

A photograph holds one aspect of the visual world, not just for a fleeting moment, but for ever, and I love to seize the moment as I see it and share it with others. I believe my pictures bring a vibrant sense of life and light into peoples homes.

A selection of Richard's photos are available at The Studio, in a variety of sizes on canvas block, card mounts and ordinary photos. In addition there are a selection of calendars and greetings cards. Individual commissions maybe discussed. David Gear Horticultural

I'm proud to announce the first anniversary of our successful move to new premises at 14 Riverside Workshops. I'm always aiming to give great service and would like to thank all my customers for their continued loyalty and business.

It's the time of year when I advise all gardeners to start thinking about getting their machinery ready for Spring. It's never too early to get organised and as I service all makes why not bring your machinery in now before the Spring rush.

It's chainsaw season and I have an unmissable offer for December and January of 2 for 1 on chain sharpening – bring 2 in and I'll only charge for one – there's nothing more frustrating than getting halfway through a job and have a blunt chain so I recommend you always have a 2nd sharpened chain to hand to swap over.

As well as stocking a range of top name brands I also recognise it's a tough time for all so I now stock a great range of domestic power equipment that offers unbelievable value whilst still giving full parts back up. The petrol powered range includes: Long reach hedge trimmer – from £199; Hand held hedge trimmer – from £175; 26cc brush cutter – from £165

Leaf blower – from £139; 18" self-drive mower – from £299; 14" chainsaw – from £129, all prices include VAT at current rates.

Special winter offer - Combi system including: 26cc power unit, brush cutter attachment, long reach hedge trimmer, pole saw attachment all for just £299 inc VAT.

Don't be seduced by the big sheds and their Christmas offers – just think what'll happen if it goes wrong and remember you'll get a box and have to take the risk of assembling it yourself – I'll give you a fully working machine with the

right fluids and fully tested – in short I'll give you peace of mind.

I'll be working over the Christmas period to improve our sales area and workshop so why not pop in and see what we've done.

Have a wonderful, festive season and I'm already looking forward to Spring and seeing you all again soon.

The Manor House

The Manor House, a grade II listed building, is a residential home for 15 elderly in Seaton, East Devon. The home is a short walk from the town centre and seafront.

The proprietors live on the premises which they feel helps to ensure that high standards are maintained. The home has recently undergone an unannounced inspection by our regulators, the Care Quality Commission (CQC) and has been awarded a 3 star rating demonstrating excellent standards. The Manor House has a cheerful homely atmosphere. Visitors often remark on how they are made to feel welcome at all times. There are well-trained staff on duty day and night. The Manor House has a small garden at the front and a courtyard garden at the back with a fish pond, bird feeders and often the resident dog and cat.

Our aims are to provide high standards of care, promote independence and to enable residents to live life as they choose. Residents are encouraged to follow their chosen pursuits and we provide a variety of entertainment such as quizzes & games. There are trips out around town and to the seafront and trips out in the charabanc. An activities/exercise organiser visits once a week. We have frequent visitors from musical entertainers. Residents are encouraged to follow their chosen religious beliefs and a clergyman gives a communion service once a month. We always encourage residents to become involved in local events such as exhibitions at the town hall, sea front fetes and the carnival. We have a visiting li-

brary service. It is our policy to provide fresh high quality food from local providers. We cater for special diets such as vegetarian or diabetic etc...

We have fifteen single rooms, all fitted with a wash basin. Nine of the rooms also have an ensuite toilet. Residents are encouraged to personalise their rooms with their own belongings including small items of furniture if they wish. Each room is fitted with a Nurse Call system.

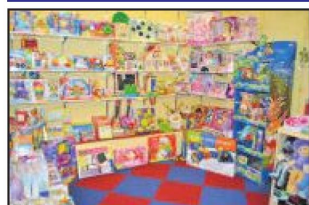

In order to ensure that the placement is suitable, prospective clients are encouraged to visit the home with their relatives prior to admission. The proprietors will also visit the prospective resident at their present accommodation. The first month after a resident is ad-

mitted to the home is a trial period to see if the resident is happy and to ensure we can provide the level of care required.

On admission a care plan will be made with the involvement of the resident and their relatives - this emphasizes the resident's potential to manage their own lives as independently as possible and to exercise their freedom of choice. Care plans are reviewed monthly or whenever there is a change in resident's care needs.

Fees vary depending upon the level of care required and whether the room has ensuite facilities. Fees include all care and accommodation costs, food, drink, heating, lighting and laundry. They do not cover the costs of newspapers, magazines, hairdressing and dry cleaning.

Committee sees change

AXMOUTH WI president Olive Owen welcomed members to the annual meeting which included the WI advisor, Mary Andrews, and teller Barbara Down.

Changes to the committee include Carole Smith retiring with her place being taken by Val Trendall. Olive remains president. The new committee is: May Beason; Denise Gates; Sheila Hall; Dorothy Hart; Yvonne Hines; Wendy Lakin; Alison Morris; Norma Sweetland and Val Trendall.

The new WI logo was discussed. This is the ninth logo since 1916 and it was felt by most members that the latest logo was rather plain and uninspiring. There was a brief discussion on the resolutions.

The flower of the month competition was won by Katherine Ord-Smith with Janet Bodington, second, and Norma Sweetland, third. The competition was won by Wendy Lakin.

The next meeting will be held on December 8th and members are reminded to please bring a plate of food to share. The competition will be a Christmas snowman.

Thanks vote

AT the Seaton WI annual meeting, committee members standing down from office were given a vote of thanks for their dedicated work.

Special thanks was given to outgoing secretary Heather Marraner for her three-plus years of service.

A decision was taken to donate the 2010 raffle proceeds to the Associated Country Women of the World charity (ACWW).

The Christmas shopping trip to Poole, Dorset, was a success. The next meeting will be in the new year.

◆ INNER Wheel Club of Seaton members are pictured with their Christmas charity shoeboxes

Wheel turns out 30 boxes

INNER Wheel Club of Seaton met at the home of Mary MacLean to pack more than 30 shoeboxes with toys, toiletries, woollen hats, scarves gloves and numerous other items which will shortly be on the way to Moldova together with two knitting machines, which one of our members had been given.

The charity concerned is Christian Response in Eastern Europe which helps to deal with the plight of the Moldovians regarding new housing, medical and social problems.

After the packing was complete the host very generously provided a lunch of soup, sandwiches, cheese and biscuits.

The business meeting followed with president Pat Richards in the chair. A very warm welcome was given to a potential new member Liz Lucas. Two members are going to the district meeting in Exeter in December. A report was given by another member who had recently attended Exmouth Inter-Club.

Arrangements were made for the district chairman's visit in January when she will be a luncheon guest prior to speaking to the club.

'Buttons' of Dorset made

AT the last meeting of West Country Embroiderers, Christine Barber returned to the Ottery St Mary club to teach members how to make Dorset buttons.

Women made buttons, which can be used to make flower heads in a picture or Christmas decorations.

Anyone interested in learning how to stitch or expand their knowledge of embroidery stitches will be welcome to join the group which meets on the first Monday of the month at 10.30am. For further information telephone Pat Snelling on 01404 812651.

On Friday, December 4th the West Country Embroiderers will hold a coffee morning and sale of Christmas gifts and cards from 10am until 12.30pm at The Institute, Yonder Street, Ottery St Mary.

Polio rid bid

THE Seaton and District Rotary Club would like to express its thanks to those who helped contribute towards the fundraising campaign to help eradicate polio once and for all.

Rotary clubs worldwide have helped to largely eliminate this terrible disease, but one or two remote pockets in areas of Asia and Africa still remain.

A Rotary International Campaign has been launched to raise funds to tackle these remaining regions.

Local fundraising activities included a tombola stall in August and subsequent events during the Tour of Britain cycle race.

This has enabled the Seaton and District Club to send a £600 cheque to Rotary International for its Polio Plus Scheme.

Members' amazement at super Noodle's training

THORNCOMBE WI hosted an invitation meeting in October with guests from local institutes including Blackdown, Charmouth, Chideock, Winsham and Tatworth.

The speaker was Ann Norcott, from Canine Partners, who brought her working dog, Noodle, with her. This

charitable organisation supplies fully-trained assistance dogs to work with people with mobility and a wide range of physical disabilities with the aim to enable them to live more independent lives. Canine Partners' dogs are trained to respond to over a hundred commands including operating a pedestrian crossing or lift button,

unloading the washing machine, picking selected items off supermarket shelves, handing over a purse at checkouts, collecting money from a cash machine and a whole range of emergency procedures.

Noodle, an eight-year-old retriever poodle cross-bred dog has been with Ann for six years and happily

demonstrated his skills. He picked up dropped items, operated a TV remote control, fetched a telephone and opened and closed doors. All present were amazed at the dog's skill and the training involved and were happy to exchange doggy tales with Ann and Noodle during the splendid buffet supper.

Alexander Paul

The team at Alexander Paul Antiques would like to invite readers of 'View From....' to visit our showroom at Fenny Bridges. At Alexander Paul we specialise in sourcing country style dining and coffee tables which are traditionally made of chestnut, oak and cherry. However we also carry a wide range of other styles of furniture and are often successful in sourcing specific pieces requested by clients. Our highly skilled restoration team are also available to work on your own pieces of furniture.

We are easy to find: first left off the west-bound A30 past Honiton, with plenty of on-site parking available.

Antique furniture represents extremely good value even when compared to most mass-market modern furniture, and a better investment than contemporary or reproduc-

tion furniture. Of course for most people the choice is an aesthetic one, having an appreciation for furniture with character that has developed through hundreds of years.

The subtle shades of colour, changes in texture and the faint smell of beeswax all create a superb sensory experience that anyone can enjoy.

Magazines that focus on 'interiors' and 'lifestyle' are writing features about the increasing number of discerning people who are buying pieces of antique furniture to place in more modern homes.

The juxtaposition of a well-chosen piece of antique furniture placed in a modern setting, where it can be discretely lit by spotlights, will often

show the piece off to better advantage than in a more traditional setting. For example a beautiful aged and melow farmhouse dining table and chairs will wonderfully soften the lines of a modern kitchen.

We look forward to meeting you and assisting in obtaining just the right piece of fabulous furniture for your home.

NJ Whittaker Ltd

NJ WHITTAKER remain very busy and are reassured by the number of enquiries they are still receiving. Although the reduction in VAT rate to 15% has been widely criticized as pointless anyone considering extending or renovating their property will save £ 250 for every £10,000 spent so for a bigger outlay there can be a significant saving. Combined with very competitive quotations from builders and historically low interest rates it has never been a better time to invest in your property providing you can get the funding.

HAVE YOU GOT A BUILDING QUESTION YOU NEED ANSWERED?

Each month on our Homes and Interiors feature we shall have a new helpful section with Nick Whittaker of N.J. Whittaker Ltd. in Honiton who is an experienced and fully qualified builder who will answer your questions. This can be anything from DIY queries, a query about new laws and regulations, to a dispute with a builder you have at the moment.

Please either email your questions to kelly@pemedial.co.uk or post them to:

**Kelly Baker, View From Publishing Ltd.,

THIS MONTH'S QUESTION:

What is a Chartered Building Company? - *Mr D. Pearce*

ANSWER:

Chartered Building Companies are run by qualified professionals who must ensure that the majority of their Directors and Partners are qualified members of relevant chartered institutions, and that a

significant proportion are corporate members of the Chartered Institute of Building. Chartered Building Companies are bound by a comprehensive Code of Professional Conduct. This commits them to a quality of service, integrity of conduct and overriding concern for client interests.

Win tickets to witness spirit of the ice show

THE exhilarating fusion of fire, air, earth and water in the Holiday on Ice 2010 UK Tour — Spirit is coming to Westpoint, Exeter, on February 16th-21st 2010 and Pulman's View has a family ticket for four up for grabs.

Fire, air, earth and water is the theme of the sensational new Holiday on Ice production — Spirit — presented by the world's most visited ice show and five times' winner of Best Event For Groups.

In 2009 Holiday On Ice celebrated 65 years of entertaining audiences around the world and Guinness World of Records has recognised Holiday on Ice as the World's Most Visited Ice Show, attracting over 320million visitors since it started.

Celebrated artistic Director Robin Cousins MBE and choreographer Karen Kresge have co-produced a cultural extravaganza of inspirational ice skating, combining the natural beauty of the four elements with global traditions and modern rhythms.

A voyage from east to west, world-class ice skaters glide from sunrise to nightfall, recreating the ethnic splendour of Asian cultures, ancient mysticism of Stonehenge and tribal gathering of native American Indians.

Robin Cousins said: "Collaborating with long-time friend and choreographer Karen Kresge has helped me bring a different feeling to this production of Holiday on Ice. We have a synergy that perfectly matches the ideas that bind the scenes of Spirit together. It's lavish, ethereal and exciting, everything a good show should be."

Earth awakens with the sun rising in the east, while ancient wise men evoke the wind and worship the mystical forces of the tranquil element of air; a lively nymph plays in the beautiful water garden

and powerful dancers summon up the fire spirits.

Musical director Maurice Luttikhuis explores the nature of the human spirit with an emotional and passionate score, where the haunting melody of the Chinese warrior ice dance contrasts with the pulsing hip hop beat of the urban street dance number.

Holiday on Ice, and its new production Spirit, offers a complete entertainment experience for all ages, with an international award-winning set, dramatic scene changes, creative lighting and a dazzling collection of over 350 extravagant costumes.

Skaters tumble from the sky in amazing, airborne gymnastics and spiral and dance on the ice with dynamic energy, performing some of the most dramatic lifts ever choreographed in a Holiday On Ice production.

To be in with a chance of winning the family ticket for four to watch this amazing show, simply answer the following question correctly.

Q: What is the missing fourth component in the Holiday on Ice 2010 UK Tour show, Spirit — fire, air, earth and ...?

Send your answer, along with your name, address and contact number, to: Holiday on Ice Competition, Pulman's View, Tndle House, South Street, Axminster, Devon EX13 5AD to reach us by 9am on Monday, December 21st 2009.

Tickets start from £14.50 with all children at £10 (subject to a booking fee). Big savings for groups — buy 20 tickets and get 1 free when booked as a group and save up to £4 on each adult ticket. A group is 10 or more people.

For more information or to book tickets call the box office: on 08444 999 955 or visit www.holidayonice.co.uk.

Pulman's

View from
the churches

With Nigel Speller

PASTOR Darrell Holmes from Kilmington Baptist Church heads our contributions this week and writes:

If you had a child that wasn't growing, you would suspect it wasn't healthy. The same principle applies to churches — healthy ones grow. On that basis, Kilmington Baptist Church is healthy. Membership now stands at over 70, having grown from 60 over the last 18 months.

Being a member of a Baptist Church normally requires a person to have been baptised by immersion as a believer, though we do make some exceptions. We don't just "count heads in the pews", our membership is made up of those who have made a deliberate decision as a Christian to be a part of the local congregation. On Sunday mornings we attract people from all walks of life, and all ages. However, we want to continue growing and welcome all people of any faith, and of none, to come along and see why a growing number of people want to join our congregation.

This column reported at the beginning of November the Church of England deliberations regarding procedures for the consecration of women as bishops including a late change after the General Synod debate. This led to the invitation from the Roman Catholic Church to those who had difficulty over the plans. It has now been reported that the late change in the proposals has been withdrawn and so we must await further developments.

Since this matter arose, the Archbishop of Canterbury and Pope Benedict XVI have had a meeting in Rome which is reported as

"discussions following the recent events affecting relations between the Catholic church and the Anglican communion". The Vatican subsequently reported the meeting of the two religious leaders as "cordial." In an act of symbolism the Pope is reported as giving the Archbishop the gift of a pectoral cross to wear round his neck, as a sign of friendship and fraternity.

Questions about Church of England self supporting clergy were recently raised in Parliament and produced the answer that the most recent figures show that there are 3,198 self-supporting or non-stipendiary clergy, either full or part-time, in parish appointments. In addition there are another 1,568 clergy serving outside the parishes in schools, colleges, hospitals and in the forces, who are additional to the parochial clergy.

There is news that the Charity Commission has produced a new guide for the governance of faith-based charities including churches, to help them establish strong trustee bodies and good practice. The guide is entitled Faith in Good Governance, and brings into one document aspects of the legal and good practice framework which are most likely to be relevant to churches and faith groups.

More resources from a different source may be viewed on the Arthur Rank Centre (ARC) website which contains an outline of worship resources relating to Christmas, Epiphany and the new year, and on to Plough Sunday, lambing and the Week of Prayer for Christian Unity. Visit www.arthurrankcentre.org.uk.

Exeter Anglican Diocese is not

producing a central Lent course in 2010 but a number of topics suitable for Lent discussions will be available with titles such as Why Go to Church? And When I Survey — further details from Exeter Diocese CMU on 01392 294930.

Other material for discussion groups is available from the Devon County Ecumenical Officer on 01822 890412.

A lighter offering by Churches Together in Devon is coming to BBC Radio in Devon and Cornwall on December 22nd at 8pm in the form of an interactive community carol service, and local communities are invited to host this in a local pub, club, care home or church. More details from singchristmas@gmail.com or 07593 911143.

Colyton Leisure Lunches returned last week on November 26th in a packed hall, including some welcome newcomers. Christmas lunch is on December 17th at 12.30pm — special price of £5.50, and bookings must be made in advance at St Andrew's Church, Colyton. Wheelchair access is available to these meals on 01297 552212.

The majority of churches in east Devon are producing Christmas services leaflets and posters, so do look into your local church to find out what is on offer such as carol singing, Christingle and crib services, concerts and Christmas parties maybe. There are also church magazines and a number of church websites all carrying this useful information at this time of year. The times of services may change so do consult those Christmas leaflets.

Mayor to open school festive bazaar

A CHRISTMAS charity bazaar, hosted by St Mary's Roman Catholic Church in Axminster, will be held on Saturday, December 5th.

The bazaar will be staged in the Guildhall from 10am to 1.30pm — and a dozen or so local and national

charities will be represented.

Organisers say there will be a lot of stalls selling a variety of things, and the bazaar will be officially opened by Axminster mayor Ron Jones.

Admission is free and Father Christmas will travel through town

from St Mary's church car park, arriving at the Guildhall at about 10.45am.

Children from St Mary's Primary School will start singing carols at around 11.30am and Father Christmas will leave about an hour later at approximately 12.30pm.

Unforgettable musical feast

AXMINSTER Choral Society is promising an unforgettable feast of music on Saturday, December 12th.

The society's Christmas concert is to take place in The Minster Church, entitled A Baroque Christmas.

It is written by musical director Dr Francis Burroughes and starts at 7.30pm.

Tim Frost of Axminster Choral Society said: "The Baroque period is one of the longest and richest in music, and this December Axminster Choral Society is presenting three masterpieces at its Christmas Concert - Monteverdi's Vespers of 1612 and Vivaldi's Gloria.

"The final work in the concert, completing our survey of the Baroque style, is the Christmas music from Handel's Messiah.

"The society will be joined by four exciting young soloists from London, and a professional orchestra, the Wells Symphonia, so the evening promises to be an unforgettable feast of music."

STEPHANIE Hallam from Axminster finished second in the South West heat of the Bar National Mock Trial Competition (court reporter category) in Plymouth on November 21st.

She represented The Woodroffe School, Lyme Regis, at the competition, which aims to give 15-18-year-old students hands-on experience of the legal system through mock trials held in real Crown Courts.

The Citizenship Foundation is running the competition.

RAF cadet Lauren plays for princess

A KILMINGTON schoolgirl completed a treble of high-profile gigs by playing for an audience including royalty.

Fifteen-year-old Lauren Kerslake was one of 20 RAF cadets chosen from around the country to play in a band for the Centenary Dinner of the Air League, a society founded to promote British aviation.

The performance took place at Mansion House in London during a dinner attended by Princess Anne, London Mayor Boris Johnson, three Air Chief Marshals and other dignitaries.

Lauren said: "It was one of the best opportunities I've ever had and an honour to be able to play at Mansion House.

"I found out later the guests did not realise we were cadets until we left the balcony, and they gave us wonderful applause."

Lauren, who plays clarinet in the Combined Cadet Force band at Wellington School where she is a pupil, practised intensively for up to nine hours a day before the event.

It was her third major musical event in recent months. In the summer, as an Air Cadet she took part in a national concert band performance at Buckingham Palace for Prince Charles and Camilla, Duchess of Cornwall.

In addition, she also played at the Royal International Air Tattoo.

Jurassic Coast Fossil-seeking opportunities

WINTER may well now be upon us, and last week's gales have certainly stripped the trees, with the exception of some oaks which stubbornly cling to their dried-up russet leaves, yet the mild, warm autumn has, once again, betrayed flowers and foliage into the belief that spring is here.

In my garden several primroses are in full flower, as too is a honeysuckle, while wallflowers are displaying flowers as too are sprays of blue lobelia. The grass needs cutting again and it's all in stark contrast to the holly tree smothered in red berries and the apple tree with its burden of mistletoe berries. However, flocks of redwings are a reminder that winter is supposed to be with us and, no doubt, we shall feel its bite before too long.

I have not yet had a chance to visit Charmouth to see what effect the gales and storms have had on the Jurassic period fossil-bearing cliffs, but I imagine that the last week or two will have provided fossil seekers with an ideal opportunity to search, with extreme care, the beach and rocks for pyritised ammonites, belemnites, crinoids portions and any other remnants from the distant past. I am not a fossil fanatic, but I do enjoy an occasional stroll along the beach from the Charmouth carpark towards Stonebarrow, with my eyes firmly fixed on the shingle or the Black Ven Marls which form ledges on the shoreline and where one can often find fossils at low water.

Meanwhile, a potential disaster scenario is sitting out in Lyme Bay. Ten oil tankers carrying an estimated one million gallons of crude oil are anchored in the bay simply waiting for oil prices to rise before delivering their cargos. Apparently they are earning oil speculators in the region of £1million a day as they bide their time in this highly sensitive area close to the Jurassic Coast World Heritage Site. The slightest oil spill or accident could devastate our coastline, destroying animals, plants and livelihoods for years to come. A similar situation arose in 2002 on the north coast of Spain when an oil tanker broke up, resulting in appalling pollution and taking years for marine life and the tourist business to recover.

The shipping companies responsible for these tankers are highly irresponsible and should arrange for the tankers to be despatched to safe harbours where they can unload their cargos. Simon Cripps, Chief Executive of the Dorset Wildlife Trust, believes that regulations should be set in place to prevent tankers causing a potential threat to sensitive areas.

Are you aware of the BBC Breathing Places Campaign? Well, no, neither was I until an acquaintance told me that she had picked up a free sapling from a local store. It seems that on this coming Saturday, December 5th, there is to be a Guinness World Record attempt at planting the greatest number of trees in one hour, from 11am to noon. Already there are nearly 27,000 pledges from counties throughout this country and specific local stores and garden centres are offering a free sapling to participants.

The idea is that, having acquired your sapling you plant it, take a photo and then email the picture to the campaign as a record. The trees available are field maple, silver birch, hawthorn, wild cherry, rowan and mountain ash. I understand that free trees are available to participants from Sundial Gardens at Offwell, Sidmouth Garden Centre, Chard Garden Centre as well as Focus and Homebase centres.

If you want to know more about the scheme and how you can participate go to the BBC Breathing Places Campaign website.

Axminster Festive Friday

Fun and games in the town centre are being organised for the families and children of Axminster as Christmas approaches.

Festive Friday, as the event is being called, will take over Trinity Square at 5.30pm as darkness falls on December 11.

Stalls and a grotto for Father Christmas will fill the Square, which along with Silver Street will be closed from 3pm.

Lights on the Minster Green Christmas tree will be switched on as bells from the church peel out. The Minster choir will lead carol singing outside the church.

While Father Christmas and Punch and Judy keep the children happy, mum and dad will enjoy hot roasted chestnuts, mince pies and mulled wine.

The Karizma Majorettes and the Chard Concert Brass Band will add to the entertainment.

For the more energetic children the Young Farmers are organising a surprise game.

The Rotary Club of Axminster, with the help of the Chamber of Commerce, are organising the event for all the family. The Lions and Inner Wheel will also be involved.

Rotary president Michael Garratt said: 'The town missed an outdoor event in the run-up to last Christmas. This year we're bringing it back, bigger and better than ever.'

Delia Pring has been carrying out body piercing from the Tat Shack in Axminster since August, and has gradually been building a loyal and satisfied client base.

Delia attended the University of Plymouth where she received a BA Hons degree in English. Subsequently she qualified through The British School of Body Piercing, and is a member of the British Body Piercing Association.

With Delia's experience and professionalism she now has a full and versatile range of piercings available including navel, lip, tongue, eyebrow, scaffolding and surface.

Delia strives to ensure customer satisfaction, endeavouring to provide each individual the best possible experience, in a clean, friendly environment.

Health and safety is a must with Delia, therefore ALL clamps and jewellery are sterilised for each customer prior to piercing in a certified autoclave. This ensures the sterility of the equipment, and gives each customer the confidence and knowledge that their piercing is hygienic and clean.

In accordance with the The British Body

Piercing Association ruling, a piercing 'gun' is only suitable for standard ear lobe piercing. Therefore all other piercings are performed using clamps and a single use, sterile needle; thus promoting a safer procedure, and ultimately a better experience for the customer.

When it comes to the initial piercings only highly polished titanium jewellery will be used. Customers are spoilt for choice when it comes to the range of piercings available, as well as the opportunity to purchase a range of bars, stretchers, tunnels and plugs. If the item you desire is not available other pieces can be ordered on request.

Scott Rowe & McKinlay's Grand Prize Draw in aid of the local Hospiscare Branch

Scott Rowe Solicitors have joined forces with McKinlays Estate Agents to give a last push to fundraising efforts in aid of the local Hospiscare branch.

McKinlays set themselves the ambitious target of raising £10,000 for Hospiscare throughout the course of 2009, with larger events such as 'For One Night Only' and lots of smaller events, including a coffee morning last week. At present the total stands at over £9,000, but a last push is needed to reach the final goal. So Scott Rowe have lent their support and have put together a Grand Prize Draw to help achieve this.

Scott Rowe have provided the top prize of a luxury hamper from Millers Farm Shop, which can be seen on display in their Axminster Office, and staff members of both McKinlays and Scott Rowe are donating smaller prizes so there will be plenty of prizes to go around.

Tickets cost £1 each and are available from the Scott Rowe offices in Axminster, Chard & Lyme Regis and the McKinlays office in Axminster. The draw will take place on Festive Friday (December 11th) at Scott Rowe and tickets are now on sale.

Please help support a local charity and help reach that all important £10,000 target.

Unusual rural property to be finished

THIS spacious, detached barn conversion is situated within a small settlement in a semi-rural location just outside the village of Rousdon, near Lyme Regis. The property was converted in the 1940's and has recently been improved and updated by the current owners to include replacement double glazed windows and doors throughout, slight redevelopment of the layout and under floor heating to the ground floor with radiators to the first floor. Some areas of the house are as yet unfinished.

The spacious accommodation includes, four bedrooms, with an unusual master suite comprising bedroom, large bathroom, dressing room, and laundry room. There is a separate shower room on the first floor and three further bedrooms. Downstairs accommodation offers small sun room off the sitting room, dining room and lovely re-fitted bespoke kitchen; off the kitchen is a rear lobby leading to a utility/wet room, walk-in larder and a small study area.

Outside, to the rear is a large yard with driveway parking and carport with adjoining workshop. To the other side of the workshop and adjoining the sun room is an enclosed, gravelled courtyard garden with pergola with plenty of room for seating and barbeques. The main garden lies to the front just opposite the house and is completely enclosed, comprising of mature planted areas, a pond and a former vegetable garden. The property is offered to the market with a guide price £450,000 through Gordon & Rumsby estate agents. Please call 01297 553768 or 01460 30888 for more information or to book a viewing.

A strange year but things are looking better ...

JULIE WHITE, director of well-respected team estate agency, **Fortnam Smith & Banwell** in Seaton, reflects on a strange year in the property market and looks forward to a positive 2010...

WELL, things are looking up. 2008 ended on a low, but at the beginning of 2009 the low interest rates coupled with the dip in prices attracted a brand new group of investors to the property market – those with saving in the bank. For many making a minimal amount of interest on their cash, property became the new long-term savings plan.

One of the problems the market faced this year was the unwillingness of lenders to offer the high loan-to-value mortgages needed by most first time buyers, but some lenders have now started to relax their tightened, risk-averse policies and 90% and 95% mortgages although not yet commonplace again, are once again out there.

In April/ May, the general market began showing good signs of recovery and by June, some confidence was back with many buying in the belief that the market had bottomed out, a particularly attractive incentive when coupled with the savings

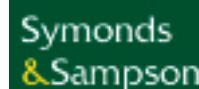

made with the Stamp Duty Holiday and reduction in VAT.

Since then, the level of activity in the market has increased every month and prices are rising once again at steady, reasonable levels. Despite the normal seasonal lull, we're so much busier than we were at this time last year with new instructions and there are still plenty of buyers out there. It seems many have waited for a level of normality in the market and feel that now is the time, regardless of the revised changes in VAT and Stamp Duty, to make firm plans to move in order to be settled for the spring – a decision many people postponed 12 months ago.

Now, I can't believe it's only three weeks till Christmas! It's always lovely to show prospective buyers around properties beautifully decorated for the season and it's a wonderful time, with the fresh beginnings of a positive New Year on the horizon.

Christmas View from the Restaurant

The Wheelwright, Colyford

It's not often that one discovers a 'Gastronomical Aladdin's Cave' in the heart of the South West. A genuinely warm and homely welcome, an eyebrow-raising menu selection, masterminded by a close-knit team of chefs who believe passionately that offering the best food revolves entirely around the very freshest, locally sourced ingredients, simply prepared and elegantly presented.

"It's as simple as that really" says Head Chef Damon Ralph "we wanted to be honest about what we do in the kitchen, get back to basics with seasonal produce and give diners traditional dishes with a modern twist". And that's exactly what they have done at The Wheelwright, in abundance. Their pan-fried local scallops with black pudding, celeriac and apple puree, is inspired. Roasted loin of monkfish, wrapped in Parma ham served with a glorious shellfish casserole, pure genius. And the panna cotta with spiced plum compote, to die for (many times over). Even their home-made chocolates are sheer delight.

"One of our senior chefs here is a confectionary nut, we asked him to really 'push the boat out' and create something totally unique". But you don't have to go for a full sit-down meal. "We have a great selection of very popular deli-boards on offer from our bar menu" says owner Gary Valentine, "or why not just pop in for a festive, freshly baked mince pie, brandy butter and a latte, in front of one of our roaring open fires, you are all more than welcome". For bookings please contact Gary or Toni on 01297 552585.

Christmas View from the Restaurant

The O

CHRISTMAS at The Old Inn is always a special time, whether it be a little family celebration or a crowd of work colleagues enjoying the festive spirit the atmosphere created by Duncan and Leigh has always been just right. This is their third Christmas at the pub and each year has built on the success of the past. Their Chef Adam will be celebrating his second season there and has come up with a new menu for their guests.

'The new menu offers a twist on some classic dishes' Adam told us. 'This year we are combining the dark turkey meat with the stuffing and roasting it with the breast meat. The combination of flavours and texture is fantastic and we have been practising on our regulars over the last few weeks.' Other items include some old favourites but all cooked with the flare and care that has given this little pub a big reputation.

Christmas parties can be booked by calling 01297 32096 and more details, as always are available, online at oldinnkilmington.co.uk

ReView: A Christmas Carol by Seaton Drama Group

I'D looked forward to seeing the second 'Farndale Avenue' play by Seaton Drama Group and 'A Christmas Carol', directed by Val Christmas, did not disappoint.

Phil Christmas was the lone male playing the terminally bewildered stage manager, Gordon. He also had four other parts, including Mrs Cratchit complete with bristling moustache. He performed them all with his usual poise.

Marilyn Sibley gave a fine performance as Scrooge, keeping a grouchy scratchy voice going till the end.

Liz Redston as the bossy Mrs Reece, who also played multiple parts, getting suitably muddled and distracted through all of them.

Beverley Hammett did well with her varied characters,

BY BEVERLEY HAMMETT

at one point balancing on Phil's shoulders as the Ghost of Christmas Present; brave girl.

Debbie Bradley as Bob Cratchit, plus other parts, was very funny giving a very stiff-necked performance due to the fact she was encased in a neck brace for the whole show.

And last but by no means least, a fleeting and very funny visit by an over-excited, hyperactive vicar played by Mick Redston.

The real Backstage crew, Front of House, Bar, Tea ladies and Lights were as usual excellent

It was an enjoyable evening. It's a shame that this small hard-working group isn't better supported by the folk of Seaton.

CONFI-DANCE PRESENT BUGSY MALONE

TICKETS are selling fast for the December production of 'Bugsy Malone' brought to you by the kids from Confi-dance.

Sara Perry (Director), Mick Redston (MD) and the all child cast (aged 7-16) have been rehearsing hard for the last few months and judging from Sara's last two shows 'Lost In Musicals' and 'Britains Got Taste' earlier in the year, 'Bugsy' is sure to be another first class performance.

Set in 1920's New York City, the story captures a flashy world of would-be hoodlums, showgirls, the rise of 'Bugsy Malone' and the battle for power between 'Fat Sam' and Dandy Dan. The musical is a 'Grand Slam' of splurge, custard pies, flour bombs and gooeey pandemonium which should not be missed so grab your tickets quick!

Friday and Saturday night are Gala nights, so feel free to come in fancy dress there will be a prize for the winner. If you are stuck for ideas get down to the Hobby Shop and they will be able to help supply you with gangster attire.

Performances December 9th, 10th, 11th and 12th at

Seaton Town Hall. Tickets on sale at Seaton Hobby Shop £8.00 Adults / £5.00 Children. Telephone 01297 23474 for more details.

Colyton Christmas Fair has change of venue

COLYTON will be the place to be on Wednesday afternoon where one of the biggest Christmas Fairs in the area will take place from 4pm. Over 50 stalls will be present with a huge array of festive gifts and treats as well as plenty of entertainment for everyone. Santa will also be awaiting all good little children in his grotto at the Town Hall, along with Uncle Bobby and Elfie the Jester. Don't miss the lantern procession, Lyme Regis Town Band and the carol singers. The forecast says it may even snow, so don't go without a warming glass of mulled wine or special Swedish Glogg & cinnamon biscuits, available around the town! **Please also note that there has been a change of venue from that which has been previously advertised:** Stalls originally in the Colcombe Castle will now be moved to the Kingfisher Inn, Town Hall or Old Bakehouse. A tram service will also run from Seaton every hour from 3.30pm until 5.30pm with last tram departing Colyton at 8pm.

AXE VALLEY RUNNERS Rain-soaked - but fun

with Dave Mutter

YOU don't really need reminding, but the weather early on Sunday morning was dreadful, with howling winds and bucket loads of rain.

Most people would certainly bulk at the idea of going for an enjoyable running race, not so the many AVR's who had a go at the Bicton Blister - a 10-mile multi-terrain event run mostly over a sodden Woodbury Common.

The race director summed up the course at his pre-race briefing: "it's very muddy!" The understatement of the year.

Gloopy paths and trails were interspersed with what normally would be gentle flowing streams, but were deep brown torrents of water, some well over a foot deep. Add to the mix a variety of hills and exposed quarries and you have a superb race. SWRR Tom Mearson found the going easy enough; he won in a very respectable 1:01:36. Luke Reed's run of form continued, he was the first AVR home, 20th out of 356 in 1:09:55. En route Bernard Fry espied the runner in front twist his ankle in a concealed hole, so to even things up a bit he decided to fall over in sympathy.

This had no profound effect on his performance as Bernard ran on to be the 2nd over-50 finisher, 56th overall in 1:15:31.

Graham Newton would have been very happy with the conditions as his is a very accomplished canoeist, maybe that gave him an edge as he was 2nd over 60 finisher, 91st overall in 1:20:13. Graham was followed by AVR's most enthusiastic racer, Eleanor Wood. Once again she did the club proud, winning the over-50

Ladies title, 111th overall in 1:23:06. Richard Hale did manage to find the concealed hole and twist his ankle, but he ignored the pain to finish 2nd over 55, 134th overall in 1:25:02. Sue Campbell had a very good run, she was 4th Lady veteran, 153rd overall in 1:27:01, with Mark Hilder hot on her tails. He was 155th in 1:27:08. Steve Reynolds had a ding dong battle with Chris Irving, but after a final pass on an uphill section Steve pulled away to be 161st in 1:27:49, with Chris 173rd in 1:29:30.

Klara Pritasilova didn't exactly follow the coaching manual for race preparation.

Instead of a pasta meal and early night Klara worked at the Grove until 4am, then kebab loaded. After three hours sleep off she went and ran her heart out, finishing 179th in 1:29:57, looking forward to a good nights kip.

Dave Mutter was chuffed with his effort, 227th in 1:35:17. Gill Day had husband John to keep her going and in her first long off road adventure ran very well to complete in 2:12:48. All runners agreed it was a brilliant race, especially considering there was a last minute change of venue.

The technical T shirt given as a race memento was of superb quality, so next year why not come along and have a go at either the 10 mile Blister or five mile Blister Lite.

Harry Moore and Steve Atkins ran the RNLI five mile around Colyton event in 63 mins. This was a road walk/run to raise much needed funds for the RNLI and Harry's effort will certainly add many pounds to the coffers. Paul Morgan was also spotted en route - is he making a running comeback?

HONITON HORNETS Herniman goal seals victory

ISCA 4th 0 Honiton 1
HONITON travelled to Exeter University this weekend for their league match against ISCA 4 on the water based pitch.

Despite an initial soaking from the weather Honiton started strongly with a number of attacks into the ISCA circle and were rewarded with a well placed goal from Jean Herniman from a Julie Tucker pass.

As Honiton struggled, at times, to cope with the different pitch surface and the speed of the ball, ISCA continued to attack. Honiton's defence remained sound at the back and with a little help from the post on one occasion kept the ISCA players from scoring in the first-half.

The second-half went much the same way as the first with both teams attacking strongly. Honiton chased down several balls to the back line and had

several attempts into the ISCA circle but none were successful.

At the other end Honiton's defence remained strong - with a little help from the goal post - with Sue Stone in goal having another excellent game.

Despite the best efforts of ISCA, the score remained ISCA 0 : Honiton 1 at the end of the match. Player-of-the-Match was Sue Stone, closely followed by Julie Tucker who had an equally excellent game in midfield.

Next week's match will be against Dawlish at Ottery.

Golf round-up

**AXE CLIFF
with Janet Dack**

THE Ladies at last managed to play a Winter League competition, even though the weather was very blustery and wet at times.

The intrepid winner was Margaret Brown with 16 points over 13 holes.

Last Friday after two days of wild weather, the conditions were ideal for the Seniors' November Stableford.

This was reflected in the scores returned by the field of 30 contestants. For a while it seemed the winner would come from one of the three players with 38 points but they reckoned without John Mant (20) a late finisher scoring 41 points to

claim first prize. Second place, on count-back, went to Malcolm Glass (18) and third spot to Keith Wilson (12) with Alan Vincent the third player to have 38 points and the one to lose out from the prize list.

**HONITON
with Paul Dimond**

IT is hard to know what is worse, sitting at home wishing the course was open or playing in the wind and rain.

This week 75 stalwart Seniors took the latter path and battled the elements in a Medal competition.

A number of cards sported the dreaded double figures on a hole indicating the difficult

conditions. Some people however seem to thrive in adversity and in Division One Keith Crane was a comfortable winner with a net score of 68 despite taking 8 strokes on the 17th hole.

The remaining prizes went to Peter Shepherd and Bill Spice, both on 70 and Don Stroud and Brian Elkington tied on 71.

The winner of Division Two and the monthly tankard for the best overall score was Chris Street with a net 68. Norman Runciman on 70, Malcolm Matthews 71, Peter Dart 71 and Geoff Gilbert on 72 were the other prize winners.

FIRST ROUND WIN WRAPS UP CHAMPIONSHIP TITLE

PHIL Studley of Axminster showed his class with a stunning win in the final round of the AMCA British RockOil Hare and Hounds Enduro Championship at Adstone, Northampton to wrap up the national title.

In gruelling conditions he took the hole shot in the 3 hour long endurance race and came round after the first lap in third tucked in behind his elite class rivals. The local rider revelled in the difficult conditions and soon took the lead and held that position until the end of the race to wrap up the class.

Phil, 29 from Axminster said, 'I have had consistent finishes all year which gave me a small cushion but anything can happen on the day, it was very hard going but once I was in the rhythm I enjoyed the race'.

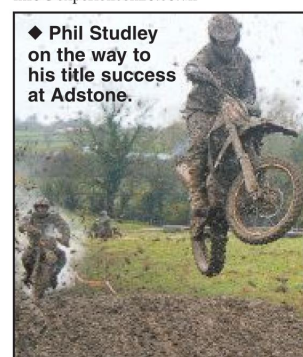

This was Phil's first year racing in the National series and he can add the title to other numerous race wins and regional titles this year including the Exmoor Championship to name a few.

When asked his aim's for the 2009/10 season; 'I would love to successful defend my Championship title and continue to develop my campaign of race/title wins including the infamous Western Super Mare Beach Race which was unfortunately cancelled on the start line this year and the

'Tough One' event in North Wales in January which is renowned as one of the premier events in the world'.

'Obviously like any privateer competing in motorsport I am the rider, financier and mechanic! So I am avidly looking to develop local business that would benefit from regional and national exposure'.

Rugby round-up

ON yet another day when the average rugby spectator really needed to be fitted with guttering, I made my way to Bridport to watch them finally beat Swanage & Wareham seconds by 15 points to five after a game which, although it did not rate all that highly as a spectacle, contained one or two interesting aspects.

Several games fell victim to the weather, with both the Honiton second and Colts sides having to cancel because of unfit pitches.

CHOSEN HILL FORMER PUPILS 13pts

SIDMOUTH 16pts

THIS was a vital encounter for Sidmouth but, playing with the elements in their favour in the first half, they were far from impressive, making far too many errors for their own peace of mind.

Their opponents, playing up the slope, took the lead as early as the tenth minute. They made their way into the Sidmouth twenty two and did cross the line only to be held up. They won the ensuing five metre scrum however and executed a dummy scissors in midfield that culminated in their fly half running to the posts unopposed. He converted his own try and his side held their 7-0 lead until the end of the first quarter, at which time Channing reduced the deficit by kicking a long range penalty goal and the score remained at 7-3 at the halfway stage.

Chosen Hill would certainly have been the more confident side at this juncture. Their pack was going well. They were in the lead and they would have the slope in their favour in the second period.

In the event though it was Sidmouth who began to make inroads early in the second period. Their error count reduced and their eight began, vitally, to establish a bit of an edge. They began to ask questions of the home defence too and, after one or two of their probes had been dealt with, pressure told and out half Channing charged over by the posts after his pack had recycled from a ruck close in. He converted his own try and Sidmouth led 10-7.

Old habits then reasserted themselves. They failed to claim the restart kick and conceded a penalty while trying to rectify the situation. The home place kicker bisected the uprights and

the scores were tied 10-10.

Sidmouth responded immediately however and, after a good run by Chesterton, now restored to the fold, had set the position, the home defence infringed and the boot of Channing restored their lead.

Penalties were being swapped seemingly at regular intervals at this stage and the home side again tied the score via the boot after Sidmouth had again infringed at the restart.

At 13-13 with time running out matters were getting a little fraught, but the visitors were in the ascendancy, apart from at the restarts. They attacked once again, won another penalty and Channing again kicked the vital goal.

They seemed to be unable to deal with restart drop outs effectively however and this time conceded a scrum on their twenty two, giving Chosen Hill the opportunity for attack. They went through several phases, eventually winning a penalty, but kicked the award to the corner to go for the try. Hannay, who had been at the forefront through out, won the ensuing lineout against the throw however, and Sidmouth cleared.

It was not over. Chosen Hill threw everything into a late attack, being held up over the line on one occasion, and forcing Sidmouth to save on another. The defence coped but the final whistle came as a great relief.

This win, narrow though it was, may well prove vital to Sidmouth's entire season. It takes them clear of the relegation zone for the time being and will certainly give confidence. Now if they can repeat the process at home against Clevedon on Saturday next....

HONITON 5pts ILFRACOMBE Nil

A FIRST requisite for any one who chooses to travel with the Honiton first side to their away games is to be of an adventurous and phlegmatic disposition. A sense of humour too would not go amiss. The above score line does nearly represent the drama of the afternoon.

It all started some time before the team reached Ilfracombe. Already weakened by injuries and hastily arranged holidays, a car crash en route did not help their cause overmuch and caused out-half Nex to miss the game, he having to stay with his vehi-

cle. His passengers eventually got to the ground, possibly a little shaken, and the game started albeit a little late.

It too has to be said that conditions were horrendous and that Ilfracombe are a far better side on their own paddock than they are on the road.

With a cross wind driving rain before it, Honiton had by far the better of the first half but could not turn pressure into points. They did cross the home line from a five metre scrum but the try was disallowed and another five metre scrum awarded.

They called the same move again however, and this time Josh Barrett crashed over 15 yards from the posts. Of course Nex, their place kicker, was stranded somewhere in the wilds of Exmoor with his car and Webber's attempt rebounded from a post, and his side had to be satisfied with a 5-0 lead at the halfway stage although they had faced the elements in the first half.

More incidents followed. De Large who had taken the role of out-half, took a knock in the final minutes of the half and had to be substituted and, after a few minutes' play in the second period Samson joined him on the touchline, having suffered a cut to the head.

His departure caused an even more major reshuffle with skipper, Jason Hannay reverting to the back division, and Dobson, more comfortable on the wing, taking the number ten position. Their cohesion suffered understandably and they were unable to take full advantage of the conditions.

They hung on however, with Man-of-the-Match, Churchward prominent. All the newcomers to the first team squad put their hands up and, although they had to defend a late home rally, they did so and came away with the win that was certainly obtained in some adversity.

PREVIEW

Another round of league fixtures takes place on Saturday next and both local sides have home fixtures.

HONITON will look at opponents NEW CROSS and probably feel that they want to get their own back.

I seem to recall that they returned from Plymouth earlier in the season rather frustrated that they had lost 8-6 and that they

really should have won. Seemingly several refereeing decisions did not go their way for they crossed the New Cross line several times, only to be brought back of one reason or another.

New Cross have had a fair to middling season and have themselves been on the wrong end of one or two close encounters. I think Honiton will win this one by a couple of scores after a hard game.

SIDMOUTH'S run up to Christmas does not get any easier with the visit of CLEVEDON. The North Somerset side, having escaped relegation last season, have enjoyed better fortunes so far this term and lie in the division's mid table, having won more games than they have lost.

The Blackmoor side hopefully will have taken something from last Saturday's result. They will have gained in confidence knowing that they are able to "close games out". A win here is certainly not beyond them if they play to their capabilities.

The Honiton second side really should have the beatings of Ivybridge thirds, while Honiton Colts too should be too strong for their Cullompton counterparts who are having a less than average season.

As to the Sidmouth second side, it travels to Kingsbridge seconds and really should win there. Sidmouth thirds too should be too strong for Ilfracombe seconds. Sidmouth Colts though will have to be at their best if they are to take on visitors Wellington successfully.

FOOTBALL RESULTS, FIXTURES AND TABLES

Devon & Exeter League

UNBEATEN Seaton Town took over top spot in Division One with an electrifying 6-0 win against former leaders Heavitree Social United.

Such was the quality of their game that Seaton might have enjoyed double figures and reckoned Heavitree fell apart after going two down (see match report, right).

Sidbury United who are also unbeaten in the League recovered from last weeks cup defeat with a 2-0 win against a better than expected Broadclyst. Sam Elstub and Kieran Small scored for Sidbury in either half.

Beer Albion drew 1-1 with Morchard Bishop and reckoned their failure to take chances in the first-half undid them. John Cooper was the Beer scorer but Morchard came back well in the second half.

Premier champions St Martins are back on top again after getting an 85th minute winner at Budleigh Salterton. Substitute Paul Vice had come on to equalise as Budleigh led 2-1 and Vice then snatched the deciding goal which earned the champions victory. Jack Phillips had the first Saints goal. Aaron Bhandi and Simon Rose were the robins scorers.

Willand Rovers tunned Sidmouth Town 3-1 on their own patch with man of the match Dean Stamp getting the two deciding goals. Neil Cain had the first for Willand who reckoned they played out of their socks against a very good Sidmouth unit.

Exmouth Amateurs beat Otterton 4-1 but were given a hard scrap by the bottom side after they hit back to 2-1. Adam Bartlett and Tim Wright gave Exmouth the lead, Mills got the Otterton goal, but then Josh Hill and Tom Matthews scored again for the Ammies.

Clyst Valley won 2-0 against Feniton to complete the double, but the visitors at Winslade Park really fought well without getting any slice of luck. Kai Feller and Elliot Weeks scored the Valley goals.

Axminster Own and Exeter Civil Service drew 1-1 in the only division 2 game completed. Dave Wilkes had Civil ahead before Richie Emmett equalised for the tigers.

Dawlish Town were leading Newtown 1-0 with a Ryan O'Callaghan goal when the game was abandoned after 70 minutes. As with other abandonments the match will probably be replayed.

Division Three leaders Pinhoe lost their 100 percent record at Chard Town where they went down 3-2. Gareth Fooks, Adam Cole and Simon Vincent scored for Chard. Dave Moyes and Alex Mackie were the Pins scorers.

Kentisbeare celebrated a rare win and a climb off the basement run when they beat Lympstone 5-1. Two goals from Rhys Daniels, and one each for Glen Maunder, Lee Maunder and Richard Davis won it for Kentisbeare. Jamie Alford had the Lympets reply.

Offwell and Newtown shared a 1-1 draw in the only division 4 game played. Lewis Couch was the Offwell scorer.

Three other matches in the lower divisions were abandoned. Colaton Raleigh were leading Feniton 3-0 in

Division Five with 18 minutes remaining, while in Division Eight Dawlish Utd led the Met Office 6-0 after 80 mins, and Halwill were ahead 7-4 at Lympstone after 70 minutes. All three matches will be reviewed by the League at their next meeting.

MATCH REPORT

Seaton Town 6 Heavitree 0

IN a top of the League clash it was the Seasideers that started the better with George Moore firing the home-side into the lead from an acute angle inside the first ten minutes.

Seaton really took the game to Heavitree and it was no surprise when they went 2-0 up after Cameron Vere won a good header and flicked the ball onto Josh French who buried his shot into the bottom corner past the helpless Stuart Gordon in goal.

Seaton started the second-half much as they did the first, dominating large spells of the game with excellent two-touch football, the visitors looked completely shell shocked as they had no answer for the inform greens. Ten minutes after the re-start top scorer Ritchie Durrant chased a through ball that Gordon in goal fumbled leaving the impressive teenager with an empty net to slot into.

The rest of the game was as one sided as you are likely to see with Ede, French, Moore and Vere dominating the game.

In the 65th minute the visitors were reduced to ten men after a defender handled in the area. The normally reliable Robbie Fellingham saw his weak spot kick saved, however this only spurred the greens on as the recalled Moore, making only his second appearance of the season for the first team, went on to score twice more to complete a wonderful hat-trick.

By now Heavitree were willing for the final whistle as Seaton continued to play fantastic flowing football in poor weather conditions. Man-of-the-Match Josh French added the sixth in the final five minutes of the game to cap the best performance of the season from the young greens.

Seaton from: D. Perham, Morgan, Wyatt, Perham, Fellingham, Durrant, Ede, French, Byrne, Vere and Moore. Used Subs: Cross, Lamb-Wilson and Hayes. Unused Subs: Stapleton and Sargent.

THIRD PLACE FOR HEATHER

HEATHER Foundling-Hawker, covering 159km finished third woman in the 'No Finish Line' 24hr race held in Monaco.

This was Heather's debut at the 24hr event and her inexperience saw her begin the race too fast. Although she led at the 10hr mark she was eventually overhauled and dropped to fourth before rallying well to capture a superb third place, and in doing so missed covering 100-miles by less than three laps.

HAWKCHURCH SUFFER SET-BACK

Perry Street League with Howard Larcombe

KENNY HODGES R1
FARWAY United Reserves to wisely switch their game from their boggy Eastlee Park to opponents' Charnmouth Reserves' Barrs Lane. And the switch worked perfectly with two-time cup winners Farway thrashing the struggling Robins 7-0 with goals from Chris Legg (2), Rob Down (2), Stuart Turner, Chris Haynes and Lewis Grant.

High-flying Waytown Hounds were taken all the way to extra-time by plucky Hawkchurch Reserves before emerging with a 5-2 win at Netherbury.

Gary Corry put the Hounds ahead in the 20th minute but Stuart Weir, with his sixth goal in four games levelled before the interval.

An own goal restored the hosts lead but Dave Mayo forced the extra half-hour with a goal midway through the half.

Mike Ackerman, edged Waytown ahead for the third time and they never looked back with a double from Matt

Read, to take his tally up to a round dozen, making the win safe.

DIVISION ONE:
LYME Regis Reserves played probably their first ever 'home' League match at Venlake Field home of neighbours Uplyme.

However the soggy conditions and constant rain was clearly better suited to opponents Farway United however and the Seaside's were scuppered by a 3-1 defeat.

Tom Albano put the Devonians ahead in the 28th minute in somewhat fortuitous circumstances when his block tackle with Stuart King resulted in the ball squirting out and into the top corner to leave Jedd Whittington in the Lyme goal with no chance.

The lead was doubled 30 seconds into the second-half when James Salter got his just-rewards for a Man-of-the-Match performance with a well taken second. The away win was confirmed when youngster Bradley King sneaked in unmarked at the back post on the hour.

Steve Batey did head home Julien Simier's cross in the 70th minute but the Seaside's comeback was never really on. Top performers for Lyme were Aaron Cleal and right-back Rob Larcombe.

DIVISION THREE

WHITE Horse Reserves pulled-off the result of the day by returning from League leaders Hawkchurch after snatching a 2-1 win. All looked good for the Hawks as Gavin Herrod gave his side a slender half-time lead. But Russell Weller levelled to turn the game on its head and will the hosts chasing a winner Horse landed an 85th minute break away sucker-punch when Russell Oldbury pounced on a defensive howler to end Hawkchurch's 100 per cent home record.

YOUTH FOOTBALL

Honiton u9s v Sidmouth Raiders (0-4) and Warriors (0-6)

NEITHER score line reflected the balance of possession as Honiton contested very well creating a number of chances. Lewis Blackwell went closest but was denied by a fine save from Raiders keeper.

Captain Dylan Nicholas, Joel Trim and Kelsey Pulman all performed well, whilst Danny Ruel was Man-of-the-Match with another fine defensive display. Luke Ward, Jake Matthews and Luke Barber all had good spells in goal for Honiton.

Sidbury 5 Crediton Saints 2

CREDITON took the lead from a free-kick after 15 minutes. Some great work down the right was rewarded when Aaron Pearce put in a lovely cross for Ben Kidson to level. Zac Mattin made it 2-1 to Sidbury and soon after added the third after good work from Harry Wright.

Crediton a goal back but Hamish Culling, Bill Reed, Jack Murrell and Matt Broom started to regain control in midfield, which acted as a platform for Sidbury to regain the initiative. Todd Levendon beat his defender to restore the two goal lead.

Zac Mattin then got his hat-trick after another great move put him through on goal. Rob Mansfield earned him the Man-of-the-Match award.

IT'S been a quiet week. Beer take over the top place in the Evening with a 5-3 win at home while West Hill gained a creditable win away, also 5-3 but with the same number of shots as their opponents. In the Second Division Colyton extended their lead winning 6-2 at home.

In the Afternoon Leagues wins for two B teams, Chard 7-1 and Seaton Cliff 5-3 away, moved these two to second and third place while Uptonery were the third victors by a 5-3 margin. Traditionally a close division, there are just two points different covering seven teams.

SEATON CRICKET CLUB

Gamwell: Club is still buoyant despite concerns

SEATON Cricket Club Chairman Chris Gamwell welcomed players and Committee members to a discussion forum held to map the way forward in 2010.

He reported that although some players had expressed their disappointments over the progress of both the first and second team in their respective Leagues the club remained buoyant.

The first team continued to consolidate it's position in the C Division despite of having to play young, inexperienced players on many occasions. Definite pluses for the club are the continued development of the colts, a return to financial profitability off the field, the Club Mark Award and finally the continued status of being a 'Focus Club' within the Devon Cricket board.

After much discussion it was agreed that where possible more experienced players should represent the 1st XI

but this depended upon the players making themselves regularly available and attending net practice nights.

In the 2nd XI the players admitted that they had played poorly in key matches and had suffered from the better players being called up intermittently to the 1st XI.

That said, all agreed that it was inevitable the strongest 1st XI must be picked week on week.

Mike Wheeler was re-appointed 1st XI captain with John Wheeler taking on the 2nd XI role.

Post meeting Chris Gamwell said, "I congratulate the 1st XI on their cup success and being nominated as the 'Team of the Season' in the C Division. I also congratulate five colts (Toby Pryce, Reid Mawdsley, Stewart Wight, Lewis Cottam and Kersley Sutton) for winning places in the East Devon Representative sides."

HONITON NETBALL

Division One: Uplowman 37 Complete Meats 16, Flamingos A 46 Bo-Peeps 8. WITH both Angels and Wasps without fixtures this week Flamingos A returned to the top of the table as a result of their comprehensive victory over Bo-Peeps, who fell to their first victory without gaining a point.

With Trish Warwick playing well at WA the Flamingos established early dominance and were 14-1 up at quarter time. By half way the lead was 23-4. Although Faye Webb worked hard for Bo-Peeps at both centre and GA the Flamingos were too strong and ran out winners by 46-8. Complete Meats are still looking for their first win of the season after their defeat at the hands of Uplowman. Unfortunately for the Meats they were up against it from the start as they had to play the game a player short. Although Hayley Ward worked hard for the Meats the Uplowman side, well led by Viv Grant, were just too strong.

Division Two: JD Tyres 30 Lyme Bay 7, Tip Top Trees Acorns 17 Met Office 29, Sidmouth Toucans 31 Bampton 29, Flamingos B NAS 17.

SIDMOUTH Toucans are back in contention after their close fought game with Bampton ended in a win for the Sidmouth side, and disappointment for Bampton.

With Anna Cloke playing well for the Toucans and Amanda Blackmore doing well for Bampton the game could have gone either way but it was the Toucans who ended the game victorious with a 31-29 win. Top of the table Tip Top Trees Acorns were up against unbeaten Met Office Weather Girls. The game started evenly

with Acorns shading the first period by 4-3. With Becky Macey playing well again for Weather Girls they began to gain the upper hand and moved 13-10 in front. Although Grace McKay was having another fine game for the Trees they could not get back on level terms. As a result of the Acorns defeat it was possible that Flamingos B could return to the top of the table if they could beat NAS Vehicle Repairs.

That proved to be the case as the Flamingos beat NAS. They outscored NAS comfortably in the first three quarters to start the final period 30-10 in front. In the final session Sarah Green got the Vehicle Repair side playing with more determination and they outscored Flamingos. Abbi Williams and the Flamingos however could celebrate a return to the top spot.

The final game saw Lyme Bay up against JD Tyres. Lyme were hoping for win number four, but it was not to be as they were outplayed by a JD Tyres side who have struggled to find their best form so far this season. With Becky Totten doing well JD Tyres led from the start and Hannah Cozens worked hard for Lyme Bay.

COLYTON Grammar School's U15 Girls tennis team have qualified for the 2009 Aegon U15 Girls National Tennis Finals, to be held in Bolton on Saturday 5 and Sunday 6 December.

The team consists of captain Liberty Brown, her sister Isabella Brown, Natasha Mejzner (all from Budleigh Salterton), Lara Graney (Exeter), and Emma Hurst (Whitford, Nr Axminster).

Their journey started when they won the County round in the summer. The team then went on to the South West knock-out stages, beating teams including the Humphry Davy School, Penzance and Millfield School, Somerset, to reach the Regional Finals.

In the Regional Final, Colyton were first drawn against

Pembroke School, who they beat convincingly 6-0, winning all four singles and two doubles. In the finals they faced Stroud School, who they had lost to the year before. Getting off to a strong start they won three of the four singles, with Lara narrowly losing to Alicia Barnett, a higher ranked player. It was the doubles that really counted as the team still needed one more win to seal it. It was tense, but Liberty and Natasha won their doublesmatch six games to love and although the other pair lost theirs, the team still had four wins to two and so qualified for the Nationals.

"This is a fantastic achievement, to be one of only four U15 teams in the country to reach the national finals. The girls thoroughly deserve their place and throughout the competition have played a consistently high standard of tennis" said Mrs Nicci Humphries, PE teacher at Colyton.

ENJOYING THE (OFF) ROAD TO MOROCCO

NINE members of Axe Valley Pedallers (AVP) have just returned from a weeks off-road cycling in the High Atlas Mountains of Morocco.

It was an expedition that proved to be far better than any of the members could have hoped for. It was a tour that gained access to sections of the Moroccan mountains not normally visited by mountain bikers.

A route of rugged beauty, of stark limestone peaks and high alpine pastures punctuated with quiet stone villages where life has not changed for centuries. A deep cobalt blue sky remained cloudless all week and set off the rich colours of the ochre red trails. All very different for the Pedallers who had left the grey skies behind at home.

After a night in Marrakech a short journey transferred the group to the foothills of the High Atlas.

Six days of mountain biking and trekking lay ahead with mules carrying the bikes on three ascents that would have been impossible to cycle.

The club had arranged for a support team, which included a local guide with an intimate knowledge of the area which gained invitations along the route from villagers to stop, relax and take tea. "We all felt very humble and very privileged to be made to feel

◆ Axe Valley Pedallers in the High Atlas mountains of Morocco

so welcome" said James Cope of AVP.

As the week progressed the dramatic nature of the landscape seemed to increase in its stature every day. After one three-hour trek to a pass at over 3,000 metres, the mountain range seemed to extend forever, a compelling panorama.

AVP intends to run the tour again

next year and it is hoped that some may take up the challenge and use it as a way of raising funds for charity.
